Rev. Dr. MacVicar, an unrie of Mr. Guthrie, is principal of the Presbyterian college, and his beautiful home is located in one of the most beautiful sites of the whole property, it is under the very shadow of the mountain, at the head of the mountain, at the head of the mountain at the head of the mountain.

delight to recall incidents of the best social career. He is a favorite in the best social life of the city, although his native city is Gnelph, Ontario, throughout that province his family, as in Quebic, is well known and highly benored.

The intelligence that Rev. Dr. Robert P. Kers will visit Canada in Angust is greeted with delight, and Mr. Wm. Drysdoly, the prominent publisher, talks to the writer regarding bim. On frequent visits here he has made many friends.

ALICE LODGE HOUSTON,

#### A PIPE EXPLODES.

Shortly before 2 o'clock yesterday afternoon, those residing in the neighborhood of the Home Brewing Company's plant, were startled by a tremendous explosion in the ice factory located there. The noise of the explosion was heard blocks away, and created intense excitement. Houses nearby trembled as though shaken by an earthquake, and the rumor became current that the boiler had bursted and killed a number of mon. The trouble proved to be that one of the ammonia pipes had become overcharged and exploded, the result being that an elbow of the pipe was blown off. The elbow went through a window, carrying the glass and part of the aash with it.
